INTRODUCTION

On December 15, 2023, I was assigned to investigate LL Services Principe LLC DBA Advantage Chater (hereinafter referred to as LL Services) because LL Services was observed operating with a bus (license plate [REDACTED]) without TCP number displayed on the vehicle on November 11, 2023, in Temecula. After interviewing driver Lamont Charles Coleman, it was discovered that LL Services engaged one employee driver without Workers' Compensation Insurance. [Attachment 1].

VIOLATIONS

December 15, 2023, investigation disclosed violations of the following provisions of the Public Utilities (Pub. Util.) Code and Commission General Orders (G.O.):

- **LL Services operated as a charter-party carrier without evidence of Workers' Compensation Insurance coverage in effect and on file with the Commission in violation of Pub. Util. Code section 5378.1. [1 count]**

According to Transportation Licensing and Analysis Branch (TLAB) records, LL Services' Workers' Compensation Insurance coverage with State Compensation Insurance Fund, policy number [REDACTED], was terminated on February 7, 2020 [Attachment 2]. LL Services claimed they did not need Workers' Compensation Insurance because they only had one owner-driver, Rolond Kelley [Attachment 3]. On November 11, 2023, LL Services' bus with license number [REDACTED] was observed in operation, driven by employee Lamont Charles Coleman, California DL: [REDACTED] in Temecula [Attachment 1].

- **LL Services operating without an active DMV/EPN account and non-casual driver enrollment or current driver records in violation of Pub. Util. Code section 5374(a)(l)(D), and G.O. 157-E, Part 5.02. [1 count]**

A search of the DMV online database shows that LL Services enrolled in the Employer Pull Notice program (EPN) under requestor code [REDACTED]. Kelley Rolond Baylor was the only driver listed under requestor code [REDACTED] [Attachment 6]. Employee driver Lamont Charles Coleman, who operated in Temecula on November 11, 2023, was not listed in the LL Services' EPN Account.

- **LL Services Operating without proper enrollment of all drivers in a drug and alcohol program in violation of Pub. Util. Code section 5374(a)(1)(I), and G.O. 157-E, Part 10. [1 count]**

LL Services’ drug consortium, Express Labs, showed Roland Kelly as the only driver in its program [Attachment 4]. Employee driver Lamont Charles Coleman, who operated in Temecula on 11/11/2023, was not enrolled in the program.

- **LL Services underreported Public Utilities Commission Transportation Reimbursement Account (PUCTRA) fees in violation of Publ. Util. Code Section 5378(a)(9) [1 count].**

TLAB records indicate that LL Services reported revenues of \$925 for the third quarter of 2023 [Attachment 7]. However, LL Services submitted waybills that generated \$2,972.25 revenue for the third quarter of 2023 [Attachment 5]. LL Services underreported \$2,047.25 of revenue for the third quarter of 2023.

Table 1 – Waybills vs. Revenue Reported

LL Service’s Waybill Revenues	Revenue Reported to CPUC	Difference
