INTRODUCTION

On September 27, 2024, I was assigned to investigate the operations and practices of AK Limousine, Inc., doing business as (dba) Lavish Limo (hereinafter referred to as AK Limo), because AK Limo was observed operating in Napa on September 14, 2024, engaged a driver without Workers' Compensation Insurance, and failed to list the vehicle with license plate [REDACTED] on his equipment list [Attachment 1].

VIOLATIONS

I investigated AK Limo from September 14, 2024, to January 28, 2025, and found a violation of the following provisions of the Public Utilities (Pub. Util.) Code and Commission General Orders (G.O.):

- **AK Limo operated without Workers' Compensation Insurance coverage for all employees in violation of Pub. Util. Code section 5378. 1 [1 Count].**

AK Limo's vehicle with license plate number [REDACTED] was observed operating in Napa on September 14, 2024, engaging an employee, [REDACTED]. An electronic waybill showed AK Limo was picking up customer [REDACTED] at Vino Bello Napa at 10:00 AM on September 14, 2024 [Attachment 2]. I interviewed [REDACTED] and confirmed he had worked for the company for seven years. TLAB records show that AK Limo's Workers' Compensation Insurance Policy was canceled on June 14, 2021 [Attachment 3].

- **AK Limo failed to maintain a current equipment list with the Commission in violation of Pub. Util. Code section 5381, and G.O. 157-E, Part 4.01. [1 count].**

Transportation Licensing and Analysis Branch (TLAB) records showed that AK Limo has two (2) vehicles on its equipment list. The vehicle with license plate number [REDACTED] observed operating in Napa was listed as "inactive" in AK Limo's equipment list [Attachment 4]. On October 10, 2024, I emailed AK Limo at [REDACTED] and directed the carrier to add the vehicle by October 24, 2024 [Attachment 5]. To date, this vehicle has still not been added to AK Limo's equipment list.

- **AK Limo operated a passenger carrier without properly enrolling a driver in a Drug and Alcohol Program in violation of Pub. Util. Code section 5374 (a), (I), (I) and G. O. 157-E, Part 10 [1 Count].**

On January 17, 2025, I emailed AK Limo's Drug Consortium Specialist, [REDACTED] and requested driver enrollment information. On January 9, 2025, [REDACTED] sent me AK Limo's Drug and Alcohol Program enrollment information. Employee driver [REDACTED], who operated in Napa on September 14, 2024, was not enrolled in the program [Attachment 5].

- **AK Limo failed to include pertinent information on a waybill in violation of Pub. Util. Code Section 5381.5 and G.O. 157-E, Part 3.01 (TCP) [24 Count].**

On October 14, 2024, I sent AK Limo a data request to [REDACTED] with a due date of October 28, 2024, requesting Personal Liability and Property Damage (PLPD) insurance, Workers' Compensation insurance, a list of sub-carriers and agreement, Drug Consortium Agreement, other fictitious business names, waybills, and random drug test results between July 1, 2024, and September 30, 2024 [Attachment 6]. On January 4, 2025, Mr. Waloo sent me twenty-four (24) waybills [Attachment 7].

My review of waybills disclosed that it was lacking the following information as required by G.O. 157-E, Part 3.01:

1. Vehicle license plate number.
2. Driver's name.
3. Time and date when the charter was arranged.
4. Whether the transportation was arranged by telephone, written contract, or electronic communication.

DECLARATION

I have read the foregoing and know the contents thereof, and I declare under penalty of perjury that the foregoing is true and correct, except as to those matters stated on information and belief and to those matters I believe to be true.

Executed on February 26, 2025, in Los Angeles, California

Subject: Data Request

Dear Amith Waloo:

The California Public Utilities Commission's (Commission) Consumer Protection and Enforcement Division (CPED) Transportation Enforcement Branch (TEB) is currently reviewing the Commission's records for intrastate transportation carriers that are regulated by the Commission.

Public Utilities Code Section 5389 authorizes the Commission and its staff to have access at any time to the land, buildings, or equipment of a charter-party carrier of passengers used in connection with the operation of its business and may inspect the accounts, books, papers, and documents of the carrier.

General Order 157-E, Part 6.01 specifically states in part that every carrier shall institute and maintain in its offices a set of records which reflect information as to the transportation services performed, including waybills, driver records, and safety and maintenance records including copies of all lease and sub-carrier agreements. Such records shall be maintained for a minimum period of three years.

Pursuant to Public Utilities Code Section 5389, the Commission is requesting a review of the Charter-Party intrastate transportation records for AK Limousine, Inc. Failure to provide access to records is a misdemeanor punishable by a maximum of \$5,000, or by imprisonment in a county jail not exceeding one year, or by both fine and imprisonment, where each violation is a separate and distinct offense (Public Utilities Code Section 2110).

We are requesting that you present your documents listed below in electronic form. Please scan the following documents and email a copy to me at Yueting.Sun@cpuc.ca.gov by October 28, 2024.

7. Waybills for all intrastate TCP transportation, including transportation performed as July 1, 2024, to September 30, 2024.

CPED reserves the right to amend, add to or revise this Data Request in the future if necessary.

Confidential documents will not be released to the public except as required by law following a Public Records Request and redaction of confidential material.
