## INTRODUCTION

On April 30, 2024, I was assigned to investigate the operations and practices of SF Star Limo LLC (hereinafter referred to as SF Star) due to an Observation Report issued during a joint Operation at the San Francisco International Airport (SFO), which alleged that SF Star was operating without Workers' Compensation (WKCP) insurance coverage.

## VIOLATIONS

I investigated SF Star for April 2, 2024, to May 20, 2024, and found violations of the following provisions of the Public Utilities (Pub. Util.) Code and CPUC's General Order (G.O.):

- **Engaged one employee-driver without evidence of WKCP insurance coverage in effect and on file with the CPUC, in violation of Pub. Util. Code Section 5378.1. [1 count]**

CPUC's Transportation and Licensing Analysis Branch (TLAB) records show that SF Star does not have an active WKCP insurance policy in effect and on file with the CPUC [**Attachment 1**].

On April 2, 2024, Enforcement Analyst Aaron Pete issued an Observation Report [**Attachment 2**] to driver [REDACTED] for operating without WKCP insurance during the SFO joint operation. My investigation disclosed that SF Star operated for one day without evidence of WKCP insurance.

## DECLARATION

I have read the foregoing and know the contents thereof and I declare under penalty of perjury that the foregoing is true and correct, except as to those matters stated on information and belief, and to those matters, I believe to be true.

Executed on July 17, 2024 at Los Angeles, California.
