INTRODUCTION

On June 18, 2024, I was assigned to investigate the operations and practices of Southwinds School Activity Services Inc. dba Southwinds Transportation (hereinafter referred to as Southwinds) after six yellow school buses were observed operating after expiration at the [REDACTED] Joint Operation with the California Highway Patrol (CHP) on June 9, 2024 [Attachments 1 and 2].

VIOLATIONS

The investigation for June 9, 2024, through July 15, 2024, disclosed violations of the following provisions of the Public Utilities (Pub. Util.) Code and a Commission General Order (GO):

- **Operated as a charter-party carrier without valid authority in violation of Pub. Util. Code Section 5379 and CVC 14602.9 [1 count].**

Transportation Licensing and Analysis Branch records show Southwinds' TCP permit 18444-B expired on July 28, 2023 [Attachment 1]. On June 9, 2024, Southwinds was observed operating six yellow school buses after the expiration of its authority at the [REDACTED] Joint Operation with the California Highway Patrol (CHP). The yellow school buses observed displayed license plates: [REDACTED], [REDACTED]. I approached bus driver Ms. [REDACTED], and informed her that Southwinds TCP permit expired on July 28, 2023, and Southwinds cannot operate or advertise until they have an active TCP permit. Ms. [REDACTED] Driver Trip Sheet showed she had transported 56 students from [REDACTED] High School, [REDACTED], CA 91406, to [REDACTED]. Ms. [REDACTED] called Southwinds via cell phone, and I spoke to the Manager, Mr. [REDACTED], and Controller, Ms. [REDACTED]. I advised them about the expired TCP permit status and that Southwinds cannot operate or advertise until they have an active TCP permit. They both confirmed that they were operating eight buses at [REDACTED] and agreed to email eight waybills and eight contracts/agreements to me. I issued a Notice to Cease and Desist and an Inspection Observation Report to bus driver Ms. [REDACTED]. She signed both documents, and I gave her a copy to give to the owner [Attachment 2].

- **Advertised as a charter-party carrier without a valid authority in violation of Pub. Util. Code Section 5414.5 [2 counts].**

On July 9, 2024, and July 11, 2024, I found Southwinds advertising illegally without a valid TCP permit on their website, www.████████.com, and on Facebook. Both advertisements listed phone number (818) ██████████. The advertisement on Facebook stated on May 23, 2024,

“It’s Grad Nite Season 🎉! From May to June, we are spending our weekends at local amusement parks for our High School Seniors and Eighth Graders to spend their last days in school at fun attractions around Los Angeles! Pictured is (sic) our buses for Senior Day at ██████████ High School to ██████████ in Santa Clarita!” [Attachment 3].

- **Failed to include pertinent information on a waybill in violation of Pub. Util. Code Section 5381 and General Order 157-E, Part 3.01 [1 count].**

My review of Southwinds’ waybills (Driver Trip Sheets) disclosed that it was lacking the following information as required by G.O. 157-E, Part 3.01: [Attachment 2]:

1. TCP number.
2. Vehicle license plate number.
3. Time and date when the charter was arranged
4. Whether the transportation was arranged by telephone, written contract, or electronic communication.

DECLARATION

I have read the foregoing and know the contents thereof. I declare under penalty of perjury that the foregoing is true and correct, except as to those matters stated on information and belief, and to those matters, I believe to be true.

Executed on July 18, 2024, in Los Angeles, California.
