## INTRODUCTION

On January 26, 2024, I was assigned to investigate Sightseeing Hollywood Tours' operations and practices because TEB received a Hollywood Police Department complaint that Sightseeing Hollywood Tours was operating with a suspended authority [**Attachment 1**].

## HISTORY OF ENFORCEMENT

**Prior Case (PSG-5853):** On May 3, 2023, I served Sightseeing Hollywood Tours a Warning Letter for not having all the pertinent information on their waybills. Santanette Braziel, the owner of Sightseeing Hollywood Tours, signed and returned the warning letter to me on June 7, 2023 [**Attachment 2**].

## VIOLATIONS

I investigated Sightseeing Hollywood Tours, from now on referred to as Sightseeing Tours, for the period of January 1, 2024, through January 30, 2024, and found violations of the following provisions of the Public Utilities (Pub. Util.) Code and Commission General Orders (G.O.):

- **Sightseeing Tours operated during a suspension period violating Pub. Util. Code Section 5379 [9 counts].**

The Transportation Licensing and Analysis Branch's (TLAB) records showed that Sightseeing Tours was suspended from January 18, 2024, to May 23, 2024, for failure to maintain workers' compensation insurance [**Attachment 3**].

I emailed Sightseeing Tours a data request at [REDACTED] via the Transportation Charter Party (TCP) portal on March 25, 2024, requesting the carrier's waybills, current Public Liability and Property Damage Insurance, current Workers Compensation Insurance, and the carrier's drug consortium [**Attachment 4**]. After reviewing the requested records, I found that Sightseeing Tours operated for nine (9) days during the review period (January 1, 2024, to January 30, 2024) [**Table 1 and Attachment 5**].

**Table 1: Dates of Operations During Suspension**

01/29/24	[REDACTED]	9
01/30/24	[REDACTED]	11

On May 8, 2024, I sent Sightseeing Tours a Notice to Cease and Desist letter via e-mail at [REDACTED] [Attachment 6].

- **Sightseeing Tours provided incomplete waybills violating G.O. 157-E Part 3.01 and Pub. Util. Code 5381.5 [9 counts].**

A review of the waybills provided by Sightseeing Tours disclosed that the carrier's waybills were not in full compliance and lacked some of the following required items [Attachment 5]:

1. Driver's name.
2. Name and address of person requesting or arranging the charter
3. Time and date when charter was arranged
4. Whether the transportation was arranged by telephone, written contract or electronic communication.

- **Sightseeing Tours operated without workers’ compensation insurance violating Pub. Util. Code Section 5378.1 [4 counts].**

TLAB records showed that Sightseeing Tours’ workers’ compensation insurance was cancelled on December 19, 2023 [Attachment 7]. According to Sightseeing Tours’ waybills from January 1, 2024, to January 30, 2024, the carrier engaged four (4) drivers, X, Bob, Brandon, and Tim, without the evidence of workers’ compensation insurance [see Table 2 and Attachment 5].

Unless the suspension was requested voluntarily, if the reason(s) for the suspension are not resolved within 90 days, on **April 17, 2024**, the operating authority will be revoked. Voluntary suspensions may stay in effect without becoming revoked until the operating authority expires.

After the cancellation or revocation of a permit or certificate, or during the period of its suspension, or after the expiration of its permit or certificate, it is unlawful for a Passenger Stage Corporation (PSC) or a Transportation Charter-Party carrier (TCP) of passengers to conduct any operations as a carrier. (California Public Utilities Code § 5378.5(b)). Upon receipt of a written recommendation from CHP to suspend a carrier's operating authority, a carrier may request a hearing of the suspension by making a written request to CPUC and the CHP showing cause why the suspension should not be continued.

If your suspension is due to failing to maintain adequate insurance, you must contact your insurance provider to reinstate your policy on-file with the CPUC.

Such records shall be maintained for a minimum period of three years.

Pursuant to Public Utilities Code Section 5389, the Commission is requesting a review of the Charter-Party intrastate transportation records for Sightseeing Hollywood Tours.
