11:50 – 12:00 Closing Remarks

SB 1221 (Min 2024) adopted new law including Public Utilities Code 661(a):

On or before July 1, 2025, and each year thereafter, each gas corporation shall submit to the commission a map that includes all of the following:

1. The location of all potential gas distribution line replacement projects identified in its distribution integrity management plan and any foreseeable gas distribution pipeline replacements.
2. The city, county, and census tract boundaries within the gas corporation's service territory.
3. Locations of disadvantaged communities, tribes, and priority neighborhood decarbonization zones, as designated by the commission pursuant to Section 662, that are within the gas corporation's service territory.
4. Any additional information required by the commission.

Stakeholder Presentations

- 9:45 – 10:00 Tomas Castro, Climate Action Campaign
- 10:00 – 10:15 Kiki Velez, Natural Resources Defense Council
