

## Working For You: How the CPUC Assists and Advocates for California Ratepayers

Please join the California Public Utilities Commission (CPUC) on **Wednesday, July 17, 2024, from 10 a.m. to noon** to learn how the CPUC works on behalf of California ratepayers.

Representatives from the Consumer Affairs Branch (CAB) will provide an overview of CAB's role at the CPUC and share resources and useful information on how consumers can use the complaint process to address billing and service quality issues.

The Public Advocates Office (Cal Advocates) will also be on hand to discuss its advocacy on behalf of California utility customers and how it promotes safe, reliable, and affordable utility service.

There will be a Q&A session after the presentations to provide attendees an opportunity to ask questions on the topics discussed.
